

## Active Supervision in Preschool

This session provides information to help you plan active implementation strategies to increase child engagement and learning while ensuring every child is safe. To complete the session, please watch the mini lecture linked below, then watch the videos from the Early Childhood Learning and Knowledge Center (ECLKC). After watching the three videos, complete the quiz linked below. After your quiz submission is reviewed, you will receive two hours of PD credit in ECE-TRIS and a certificate of completion via email.
