

The University of Kentucky
Early Childhood Laboratory
Presents

Assessment, Evaluation, and Programming (AEPS) Training

Location: UK Early Childhood Laboratory
621 South Limestone, Lexington, KY 40514

August 12, 2019
8:30 am – 3:00 pm

The cost for the AEPS training is \$50 per person. If you are paying by check, payment can be made to the University of Kentucky Early Childhood Laboratory. To register for the training, please call the ECL to confirm there are available spots. You will then need to fill out the attached registration form and mail the form with a check to the address listed above.

Parking: There is no parking available directly outside of the ECL. You will receive a parking pass in the mail once your payment is received. Information showing you where to park will be included.
